

COVID-19 SAFETY

No more than three adults may tour the home. Any additional adults may wait outside and walk the land. Please keep a very tight rein on children.

Please have all adults execute the COVID-19 waiver attached to the specific MIBOR listing and return to me before the showing.

In the last 14 days, have you or your clients:

- Tested positive for COVID-19?
- Had a cough?
- Had difficulty breathing?
- Have you experienced a fever above 100?
- Had persistent contact for 30 minutes with someone COVID-19 positive?

**IF YOU ANSWERED "YES" TO ANY QUESTION,
YOU MUST RESCHEDULE THE APPOINTMENT.**

While you are touring this property, PLEASE:

- 1) Do not touch anything unless you have a fresh glove on or have just washed your hands with soap or applied hand sanitizer
- 2) Wearing of masks would be appreciated

We stay safe by working together. And responsibly.
Thank you for your cooperation.
